I clearly understand that all insurance coverage, whether accident, work related, or general coverage is an arrangement between my insurance carrier and myself. If this office chooses to bill any services to my insurance carrier that they are performing these services are strictly as a convenience to me. The office will provide any necessary reports or required information to aid in insurance reimbursement of services, but I understand that insurance carriers may deny my claims and that I am ultimately responsible for any unpaid balances. Any monies received will be credited to my account.
